Summary

I am an experienced registered nurse with 8 years of experience with the last 6 years dedicated to emergency and trauma nursing. I have developed skills of self-awareness, integrity, transparency, and consistency which have allowed me to become a leader on my unit. Over the last 3 years I have been developing my skills as an educator. I am an active American Heart Association instructor for the disciplines of BLS, ACLS and PALS. I am currently enrolled in a MSN program focused on nursing education.
