Doctor of Nursing Practice - Nurse Anesthesia Student at Baylor College of Medicine
Houston, Texas

Summary

I am a Doctor of Nursing Practice Student studying Nurse Anesthesia at Baylor College of Medicine. I hold licensure to practice as a Registered Nurse in Texas. Additionally, I possess certifications in BLS, ACLS, and PALS and am a Certified Critical-Care Nurse (CCRN-Adult) and a Certified Hospice and Palliative Nurse (CHPN).

Experience

Medical University of South Carolina

Registered Nurse II

February 2018 - December 2019 (1 year 11 months)

Charleston, South Carolina Area

Medical/Surgical Intensive Care Unit (MSICU) sub-specializing in Digestive Disorders

Managed and interpreted data from invasive hemodynamic monitoring devices (central lines measuring venous pressures, arterial lines, and pulmonary artery catheters), used nursing judgment to titrate vasoactive drips, monitored patients under moderate sedation and paralytics, and competent in other therapies such as targeted temperature management (Zoll/Arctic Sun), continuous renal replacement (NxStage), among others.

Specially trained in insertion of ultrasound guided IV's and care of patients undergoing total pancreatectomy and autologous islet cell transplant

Involvement includes SKIN Champion and Member of the Interdisciplinary Palliative Care Committee

Clemson University

2 years 5 months

Nursing Informatics Intern & Undergraduate Teaching Assistant (TA)

January 2017 - December 2017 (1 year)

Clemson, South Carolina

Collaborated with Dr. Kathleen Valentine, Director and Associate Dean of Clemson University's School of Nursing, to standardize faculty biographies on the School of Nursing website to showcase their ongoing and past research projects. Disseminated current innovations in health care and promoted critical thinking skills during in-class activities under senior lecturer, Dr. Nancy Meehan, in the instruction of NURS 1400: Computer Applications in Health Care, a freshman level nursing course

School of Nursing Ambassador & Tour Guide
August 2015 - December 2017 (2 years 5 months)
Edwards Hall

Provided information to prospective students and families about Clemson University's undergraduate nursing program

National Institutes of Health
Summer Intern
June 2016 - August 2016 (3 months)
Medical/Surgical Services: Endocrinology, 5NW Building 10

Developed research skills under mentors specialized in Clinical Research Nursing at America's Research Hospital, educated on special topics such as immunotherapy and protocols, experienced the environment of a clinical research hospital, and shadowed on various nursing specialties such as OR, ICU, Oncology, Pediatrics, and Post-anesthesia care

McLeod Health
Nurse Extern I
June 2015 - August 2015 (3 months)

Provided patients with basic care similar to that provided by Certified Nursing Assistants, worked with an inter-professional health care team to assess and manage patient health, performed phlebotomy and basic patient hygiene
