Summary

Highly skilled, board certified Acute Care Nurse Practitioner with 10+ years of healthcare experience. Accomplished critical care Registered Nurse specializing in Progressive Care, hospital leadership and nursing education. Expert in all elements of patient care and successful in working as part of team to treat a wide range of medical conditions. Skilled in prioritizing patients' needs within high-stress environments. Proven leader successful in working as a part of a team to deliver high-quality care and achieve optimal patient outcomes. Focused on continually advancing my clinical expertise and leadership skills. Dedicated to finding long-term solutions to problems and meeting big-picture goals. Proven ability to remain calm under pressure and skillfully handle difficult patients and high-stress situations. Consistently developing strong relationships with patients and families through empathetic communication, respectful attitude and excellent customer service.

Some highlights of my accomplishments include:

- Playing a key role as Hospital Supervisor in opening a brand new community hospital.
- Helping to transition a 28 bed mixed acuity unit to a 36 bed progressive care unit. Revising the entire orientation process to meet the needs of this new unit.
- Assisting with implementing a new electronic self-scheduling program and educating staff throughout a large, academic medical center.
- Maintaining the schedule for a large staff of 100+ for over 5 years.
- Decreasing placement of cardiology patients in the incorrect level of care by creating a tool for ED physicians and nurses to use when determining level of care for patients with chest pain.
