Jennifer Schieferle Uhlenbrock DNP, MBA, RN, TCRN

Clinical Educator at St Davids Health Care System
Austin, Texas

Summary

Excellence in practice, higher education, leadership, and research are the heart of my career development and professional philosophy. My experience in bedside nursing, marketing, and research has prepared me as a translational leader who can supervise, motivate, and develop staff. As an officer in a non-profit professional organization, I have experience with project management, monitoring productivity, and succession planning.

Specialties: mentor, preceptor, quality improvement projects, evidenced based practice, research committee, trauma committee, trauma certification, professional development, managerial economics, marketing, scientific approach, translational research, translational leader.
