Chase Pennington BSN, RN, CCRN

Registered Nurse—PICU at Texas Children's Hospital
Harvey, Louisiana

Summary

I am a pediatric intensive care RN. I am from New Orleans; however, I am currently working in Texas as a travel RN. I am also a graduate from Southeastern Louisiana University, where I received my BSN in 2015. My specialties are pediatric critical care and cardiovascular medicine. In the future I would like to obtain my DNP and become a nursing instructor.

Experience

Texas Children's Hospital
Registered Nurse—PICU
November 2019 - Present (8 months)
Houston, Texas

Dell Children's Medical Center Foundation
Registered Nurse—CVICU
June 2019 - October 2019 (5 months)

Ochsner Health System
2 years 6 months
Registered Nurse—PICU
November 2017 - January 2019 (1 year 3 months)
New Orleans, Louisiana

14 bed PICU, 11 bed CVICU. High acuity setting. Experience with vasoactive medications, ventilator support, CCRT, oscillator, CV surgery, etc. It's where I learned critical care, so it will always be home. Ochsner proud!

Registered Nurse--Cardiology

August 2016 - November 2017 (1 year 4 months)

Greater New Orleans Area

I worked for Ochsner Medical Center's cardiology stepdown unit. I functioned as both a staff nurse and charge nurse. The patient population for this program is tremendously diverse. The CSU program is connected to a cardiac ICU, arrhythmia lab, cath lab, and cardiothoracic stepdown unit. I had the privilege to work with dozens of LVAD patients and some of the best cardiothoracic surgeons in the business.

North Oaks Health System

Registered Nurse/Nurse Technician

December 2014 - August 2016 (1 year 9 months)

Hammond, LA

I was originally hired by North Oaks as a nurse technician. I worked on a telemetry floor, where I assisted in the care of a variety of cardiac patients. After I finished my BSN and passed the NCLEX I became a staff RN for North Oaks on the same unit.
