Monica Guidry

Clinical Nurse Manager at DaVita Kidney Care
Houston, Texas

Summary

Highly enthused registered nurse with over three years of experience within the health care industry and current Family Nurse Practitioner student at UTH Cizik School of Nursing. Exceptional organizational and time management skills combined with the ability to work collaboratively with professionals from a variety of diverse backgrounds. Excellent oral and written communication skills with a proven ability to excel in challenging and complex environments. Quick learner who thrives in high-pressure, high-stress environments while maintaining composure and adhering to efficient, productive work processes.

Experience

DaVita Kidney Care

Clinical Nurse Manager

January 2019 - Present (1 year 7 months)

United States

Responsible for performing, coordinating, and directing nursing care and services in a chronic-care facility for the end stage renal disease patients. Supervises and monitors direct patient care administered by PCTs, LPN/LVNs and RNs by directing and assigning the work of PCTs, LPN/LVNs, and RNs, using independent judgment to assign teammates to patients, for the purpose of:

- o Ensuring appropriate documentation of all delivered care
- o Ensuring that care is provided in compliance with DaVita's policies, including Operational and Teammate Policies
- o Ensuring that care is completed
