Elizabeth Richardson

BSN, RN, CCRN

Houston, Texas

Summary

Elizabeth is an outgoing and a driven individual who believes in delivering optimal patient care as she works with a wide variety of patients. Elizabeth has an outstanding work ethic and is always seeking new challenges and learning opportunities in medicine and in nursing. In her quest for excellence, she strives to excel and to distinguish herself as a leader, patient advocate, and a proactive professional. Diligent, sensitive and tenacious, she aspires to be an exceptional nurse to patients and to the community she serves.
