Summary

Experienced Nursing Leader exploring project management positions in the Denver, CO region.

I am proud to say I am a leader in Neonatal Nursing. From providing all aspects of care to sick and premature babies, to developing future nurses through management and education, I am truly reminded how amazing my field is. I have also taken my desire to care for all individuals to Haiti, where I have completed medical relief trips.

My NICU Leadership skills include Professional RN Development, EMR Implementation and Evidence Based Practice Implementation.
