Bob Bacheler

MSN, CCRN, CFRN, CDP, Managing Director, Flying Angels
Greater Philadelphia Area

Summary

After over 25 years as a Critical Care Nurse, 12 years as a Flight Nurse, I manage a team of Nurses and Doctors who transport patients around the country and around the world on the commercial airlines.

Experience

Flying Angels
Managing Director
November 2016 - Present (3 years 8 months)
Phila

Flying Angels, www.flyingangels.com, provide non-emergency medical transport anywhere in the world on commercial aircraft with a Flight Nurse or physician. A Flight Coordinator handles the logistics. The client receives expert care during the entire transport—bedside to bedside. We are the cost-effective alternative to expensive air ambulance service.

Air & Surface Transport Nurses Association (ASTNA)
Board Of Directors
October 2017 - Present (2 years 9 months)

As a member of the ASTNA Board of Directors I have the opportunity to have a direct impact on issues related to rotor, fixed wing, and commercial medical transport.

International Flight Coordinator

September 2007 - November 2015 (8 years 3 months)

Media, PA

Flight RN: Functioned as Flight Nurse responsible for escorting patients with medical needs on commercial aircraft around US and around the world.

International Flight Coordinator: Responsible for all aspects of coordinating medical care, air and ground transport of patients on commercial aircraft around the world escorted by critical care RNs.

Neumann University

Critical Care Clinical Instructor

2007 - June 2013 (6 years)

Aston, PA

Critical Care Clinical Instructor for a four year BSN program

Penn Medicine (University of Pennsylvania Health System)

Independent Contractor Registered Nurse

October 2004 - November 2008 (4 years 2 months)

During my time as an Independent Contractor Registered Nurse I had the rare privilege to work at HUP on a near full time basis. While I spent much of my time in the Surgical/Trauma ICU (Rhoads 5) I had extended assignments in the ED, Nuero ICU, and Cardio Thoracic ICU.

To this day I wear my "Trauma Team" fleece with pride.
