Madeline Styczynski RN, BSN

Registered Nurse- Operating Room at Natividad Medical Center (NMC)

San Francisco Bay Area

Summary

I am a Registered Nurse in the main Operating Room at a Level II trauma center in Monterey County. My background and experience includes the following skills I am comfortable with:

- Obtaining, evaluating, and recording patient history
- Utilizing electronic health/medical records to record track and receive data
- Quality care and interaction with patients
- Administration of medications and IV certified
- BLS, ACLS, & PALS certified
- Surgical scrub experience/ RN circulator
- pursuing my CNOR certification

I feel confident in my ability to establish professional working relationships with patients, families and caregivers.

Experience

Natividad Medical Center (NMC)

Registered Nurse- Operating Room

March 2016 - Present (4 years 3 months)

Monterey County

Good Samaritan Hospital

4 years 8 months

NICU Unit Clerk

September 2015 - March 2016 (7 months)

Neonatal ICU

In the NICU I operate a multi-line telephone console, take and relay messages, and communicate with the healthcare team. I also perform clerical duties including preparing kardex for nursing staff, entering patient charges, checking in visitors, preparing charts, coordinating admissions, observations, discharges and any follow up appointments.

OB Technician- Labor & Delivery

August 2011 - September 2015 (4 years 2 months)

San Jose, California

Prep OR and scrub for C-Section surgeries, set up for vaginal deliveries, set up and scrub for tubal's, set up and scrub for circlages and D&C's, set up and scrub for emergency c/s or hyst, admit patient to room, answer phones, call lights, enter orders in computer as needed, stock all labor rooms, recovery rooms, and OR, Clean OB equipment, clean up recovery patients, assist RN with transferring patients, assist MD when needed, sterilize ultrasound probes, stock blanket warmers, assist RN after delivery with mom and baby, and clean up room as needed.

Saint Louise Regional Hospital

Student Nurse-preceptorship

September 2014 - May 2015 (9 months)

Main Operating Room

I completed my nursing preceptorship in pre- op, the main operating room and PACU at Saint Louise Regional Hospital in Gilroy, Ca. This included 120 hrs of direct and exceptional patient care provided under supervision of an RN preceptor. I performed all tasks required of a Registered nurse. My clinical hours during school were completed at Santa Clara Valley Medical Center in the Burn Unit, Rehab trauma unit, Med-Surg, Psyc and Spinal cord injury unit. I gained an invaluable experience with patients of all ages, socioeconomic statuses, backgrounds, cultures, and needs.

Community Management Services, Inc
