# Ashlee McKinney

Nurse Administrator/House Supervisor at Methodist Specialty and Transplant Hospital  
San Antonio, Texas Area

## Summary

Graduated from high school 1994. Started attending college at College of Southern Idaho 1994, graduated with an Associate of Art's Degree 1996. Attended Boise State University where I graduated with my BSN in 2002. My first hospital job was with St Lukes Hospital where I worked as a nurse apprentice in the ER while attending nursing school at BSU in 1999. -2010 in ED Worked my first 3 years as a nurse apprentice while in nursing school.

Hired as RN when I graduated from nursing school in 2002-2010. Left to follow my dreams as a travel RN.

Travel ER RN for 7 years through Parallon Workforce Management Solutions. My husband and I both worked as travel RN's and worked assignments throughout various states within the US. (Texas, Idaho, Utah, Big Island of Hawai'i, Oahu)

Last year my husband, our 3 boys and I decided to settle down again, however this time in Texas. We love the warmer weather and friendly people. I started working at MSTH as their ER Educator September of 2016 - currently employed with MSTH. I cover the daytime House Supervisor hours, continue to work with the education dept., soon to be teaching ENPC, help administration as needed as well as cover shifts on the ED if needed. I love the career path I chose as an RN. Helping those in need and/or witnessing the positive ways we as RN's impact our patient's lives for the better each and every day; truly priceless.
