US Military Posts in the Pacific

## Summary

To excellently serve as a United States Air Force Nurse Corps Officer with healthcare leadership, clinical knowledge, and performance improvement expertise. I will lead our Airmen and accomplish executive tasks with flexibility and integrity. I am devoted to upholding military standards and principles of care. I will place our Airmen first. I am committed to their lifelong professional development through coaching, mentoring, and relationship building. I worked and communicated successfully, efficiently, and professionally with others. I am passionate about our Air Force traditions (Integrity, Service, Excellence), nursing, and health advancement of our patients.
