Family Nurse Practitioner

Dallas/Fort Worth Area

## Summary

FNP actively seeking a full time or part time position!

For the last 20 years, I have worked with Med/Surg, Gynecological, Antepartum, Post Partum, Hospice, Home Health, Geriatric, Geriatric Psych, Dual Diagnosis Psych, Psych, long term care and rehab, and respite care patients.

In December 2018, I graduated with a post-master's in family nurse practitioner. I took and passed boards that same month. I became certified by the AANP in February 2019. Since then, I started working as an NP seeing patients in their home. Most recently, I started working part time in a primary care clinic.
