Summary

I graduated from the Associate Degree in Nursing Program on May 8, 2015 with honors, Phi Theta Kappa, and Sigma Kappa Delta Honor societies. My GPA is 3.629/4. I am a 2015 Association of Perioperative Registered Nurses (AORN) Coastal Chapter 3405 Student Nurse Scholarship's recipient, and I am currently member of the MSNBC. As a student, I served as Team Leader for my clinical group in the Progressive Care Unit at Carteret General Hospital. With my clinical group, I worked and presented a QI project that was chosen to be presented in the State's Nurse's instructor's convention, and is implemented currently at Carteret Health Care per protocol. I am a member of the MSNCB, the National Society of Leadership and Success, the Phi Theta Kappa Honor Society, and the Sigma Kappa Delta English Honor Society. I am trilingual-English, Spanish, Italian. Besides Nursing, I have a background in Speech Therapy, Language Pathology, Audiology, Early Stimulation, and Teaching. In my job at CHC I administered patient care in an effective, timely manner; accurately performed tasks and treatments in accordance with established policies, and procedures and the listing guidelines for RN, and effectively interacted and communicated with patients and families and other health care team members. I was part of the Pressure Ulcer Surveillance Team and the Journal Club. I obtained the Medical - Surgical Nursing Certification by the Medical-Surgical Nursing Certification Board. I left CHC after more than 5 years to pursue my dreams of applying my skills and knowledge to reaching and helping a more diverse community, and joined the Southern Rehabilitation Network, Inc. company as Bilingual Medical Case Manager.
