# Kyle Schultz BSN,RN, CCRN

ICU Registered Nurse  
Coolville, Ohio

## Summary

As a critical care nurse pursuing anesthesia studies, I am passionate about improving patient care through evidence-based practice. My background in analytics helps prioritize and streamline interventions. By using strategic quality improvement skills, I help find solutions that balance new and established treatment plans.

### Specialties:

Critical care, Patient Advocacy, Evidence-Based Practice, Project Management, and Information Technologies
