Certifications: ACLS, PALS, BLS, TNCC, ENPC,

Experience

Kaiser Permanente

11 years 5 months

Staff Nurse III

May 2018 - Present (2 years 3 months)

Roseville

32 hour days-shift in Level II large 70+bed suburban ER in Placer County. I am currently a member of Pediatric ER Committee and Sepsis Committee that are geared to improving the quality of care at Kaiser Roseville ER. A resource to travel nurses, new staff and student nurses. . Kaiser Roseville is a specialized hospital with Womens' & Children's Hospital.

Staff Nurse II

June 2016 - May 2018 (2 years)

South Sacramento, CA

Level II Trauma Center in South Sacramento. 41 bed ER with 6 ER bed Observation Unit. High volume ER seeing 200-400 patients daily. Fast patient turnaround due to Rapid Care-(1 hour turnaround time) and Frontline zones -(ambulatory zone with acuity level 3 that require only 2-3 hour patient care) which help expediate ER throughput along with the utilization of the TAS patient assignment system. Kaiser South Sacramento is Kaiser Permanente's 1st trauma center with a helipad and teaching hospital for UC Davis Medical School Residents. I am currently working 8 hour dayshifts.

Charge Nurse

February 2015 - June 2016 (1 year 5 months)

San Rafael, CA

Evening shift Charge Nurse in Level III Trauma Center in suburban Marin County. As leader of the health care team, collaborates with: ER MDs, RNs, ER Techs, ancillary staff. Directs shift-to-shift departmental operations, providing high quality patient care and utilizing the nursing process in accordance with the current standards of care, policies and procedures. Expert resource and leader in the emergency department to be effective in resource allocation by ensuring appropriate patient care assignments, staffing and scheduling. Adaptable to ongoing changing dynamics of the emergency department and to be effective in emergency department throughput. .
