PNP-PC, MNSc, CCRN - UAMS NICU
Little Rock Metropolitan Area

Summary

Certified Pediatric Nurse Practitioner- Primary Care, MNSc, CCRN

2012-Current: RNIII at UAMS NICU, actively gaining experience in providing the specialized care required by the preterm infant and its family. Our NICU team works closely with the labor and delivery ward to ensure the most expedient care possible is provided for the at risk neonate.

Active participant in EBP and unit/hospital based QI projects.

BLS, PALS, NRP, CCRN and STABLE certified, member of local chapter Sigma Theta Tau, ACCN, and NAPNAP.

Currently serving as Junior Legislative officer for ArNAPNAP. The addition of junior officers was decided upon this year as a way to involve and encourage recent APRN graduates and current APRN students in the legislative process as it effects the future of our scope of practice and also the impact of legislative decisions on Nursing as a whole.

Experienced in preemie/neonatal stabilization and preemie/neonatal PICC line placement.

1999-2012: RNIII at Arkansas Children's Hospital in the Heart Center. Experienced in the care of the patient and family congenital cardiac defects, surgical palliation, ECMO, VADs, Berlin Heart, Heart Transplants, centrifugal VADs, and Syncardia VADs. Part time nurse Preceptor and Mentor for CVICU. Previous Chair of the Unit Level Clinical Practice Council (2009-11), co-chair (2011-12), and Council Recorder (2012).
