Eyleen Desza Montero BSN, RN

Pediatric Intensive Care Travel Nurse at Kaiser Permanente
Greater New York City Area

Summary

Registered Nurse, Bachelors of Science Degree. Licensed in New York, New Jersey, & California. Specialty in Pediatric ICU.

Energized, inspired and a very motivated individual, dedicated and ready to continuously build a strong nursing career with the help of vast experiences found in hospital settings. Hard worker, open and ready to learn new concepts and skills that promotes education, professionalism and personal growth.

Reputation as a team player using collaborative care in hospitals or community settings and prioritizes patient care above all. Organized and critical thinker with the ability to work in fast-paced settings. Strong problem solving, communication, prioritization, multitasking and delegation skills.

Very passionate in helping others; future goals include working with organizations all over the world to treat and educate those in need. Personally committed to the purpose of providing exceptional patient centered care and to positively impact lives every day.
