Adult Psychiatric-Mental Health
Nurse Practitioner (PMHNP-BC)

Ade Ogunmokun

Psychiatric Nurse Practitioner/PMHNP-BC at Sumo Medical Staffing
Richmond, Texas

Summary

Psychiatry is my love/passion, I couldn't/wouldn't be in any other specialty. Working in mental health enables me bring awareness to the community, of how paramount it is to show compassion, respect and understand mental illness. I also believe it's my moral obligation, to share my knowledge/expertise in psychiatry, with as many people as I possibly can.
