Stephanie Gwin

CCRN- CSC at ProMedica

Toledo, Ohio

Summary

I attended Bowling Green State University where I received my Bachelors of Science in Nursing. My focus throughout my schooling was acquiring skills to be a competent and knowledgeable critical care nurse. I am currently employed by Promedica Toledo Hospital working in the Heart and Vascular Surgical Intensive Care Unit. As part of my responsibilities, I am also the unit represent for the NDNQI pain management task team. The goal of this team is to aim to reduce the overall pain a patient is having throughout their stay at a hospital. I am challenged and fascinated my the critical care setting and am always looking for opportunities to better my skills.

Experience

ProMedica

Heart and Vascular Surgical ICU RN

July 2013 - Present (7 years 1 month)

Toledo, Ohio Area

I work with critical cardiac patients as part of Promedica's Heart and Vascular Institute. Specific skills include recovering patients from open heart surgery, working with ECMO, and managing post heart attack patients.

University of Toledo Medical Center

Nursing Assistant

May 2012 - July 2013 (1 year 3 months)

I currently am a nursing assistant in the surgical ICU of a level one trauma center. Responsibilities include assisting the RN staff, performing basic nursing skills, and conducting around the clock assessments on patients.

Bowling Green State University

2 years 10 months

The Learning Commons Tutor

August 2010 - May 2013 (2 years 10 months)

Bowling Green, OH

I work with current students in small group and one on one settings to help enhance their understanding of various courses. Some courses include biology, anatomy and physiology, sociology, and food and nutrition.

yourFellowFalcon Council of Leaders Representative

September 2010 - August 2012 (2 years)

Bowling Green, OH

This program was developed by the Office of Admissions in an effort to promote retention at BGSU. I am one of five undergraduate leaders who help develop and oversee programs and events to help the student population successfully acclimate to college life.
