Summary

I am a bilingual registered nurse specializing in the treatment of critical care patients across the lifespan. Areas of nursing experience and training I specialize in include the following: emergency and trauma services, neurosurgical intensive care, intensive care, pre-hospital/inter-facility rotary and fixed-wing flight, and interventional radiology.

I have advanced specialty training and extensive experience in airway management techniques, rapid sequence intubation, sedation, ventilator initiation and management, cricothyrotomy procedure, escharotomy procedure, needle decompression, chest tube insertion and management, advanced hemodynamic monitoring, intraaortic balloon pump management, external ventricular and lumbar drain management, central line placement and management, high risk obstetrics, neonatal delivery and care, pediatrics, geriatrics, field triage, response to mass casualty incidents, trauma care, rural medicine, and flight physiology.

Active Nursing Certifications: Certified Emergency Nurse, CCRN (Adult Critical/Acute Care), Certified Flight Registered Nurse

Active nursing licenses in Oregon, California, and Arizona.
