December 2012 - Present (7 years 8 months)

Silver Spring, Maryland

Assist with and chaperon patient procedures and provide patient care as needed. Scanning and putting together inpatient and outpatient files, making sure all paperwork is correctly updated, signed, and no missing files. Shadow nurses and physicians, observe treatment, procedures, and patient care. Assist with reception work. Make sure patients go home with proper paperwork and discharge instructions, signed by all appropriate parties.

Endoscopic Surgical Center of Maryland North

Assistant/Reception

December 2012 - Present (7 years 8 months)

Rockville, Maryland

Assist with and chaperon patient procedures and provide patient care as needed. Scanning and putting together inpatient and outpatient files, making sure all paperwork is correctly updated, signed, and no missing files. Shadow nurses and physicians, observe treatment, procedures, and patient care. Assist with reception work. Make sure patients go home with proper paperwork and discharge instructions, signed by all appropriate parties.

Sibley Memorial Hospital

Student Nurse Intern

August 2015 - December 2015 (5 months)

Washington D.C. Metro Area

Completed a semester long internship on the Cardiac Unit at Sibley. Cared for patients with acute needs related to heart complications such as congestive heart failure exacerbation, pulmonary embolisms, myocardial infarction, stroke, seizure, and syncopal episodes among many other diagnoses. Used the nursing process and critical thinking skills to make timely and effective patient care decisions. Developed care plans, aided in medication administration, basic patient care, as well as charting on Epic and participated in discharge teaching to patients.
