January 2015 - June 2020 (5 years 6 months)

Riverside

I was hired as a food expeditor in 2015 where I worked with the kitchen and staff to ensure food was plated and staged correctly before reaching the tables. After six months, I became a trainer to train all staff being hired in positions of food expeditor, server, and host. In 2017 I was then promoted to server. As a server, I wait tables, make sure guest are happy, and anticipate their needs.
