## Summary

Dedicated, dynamic and patient-focused Registered Nurse with over 20 years of proven strengths in leadership, acute patient care, staff development/training, and patient/family advocacy.

Exceptional capacity to multi-task: manage numerous, often competing priorities with ease and foster the provision of superior patient care.

Administrative and referral experience including admissions, assessment, treatment, referral, and education for a wide range of patients. Widely recognized as an excellent care provider and patient advocate. Demonstrated ability to lead and motivate outstanding healthcare teams that provide quality patient care and create positive culture with in the team. Utilizes philosophies and practices to support Patient Service Excellence, such as AIDET, rounding with purpose, and discharge calls, etc. to optimize healing environment and patient outcomes. Works collaboratively with others to ensure hospital-wide improvement in meeting quality, core measures, and patient service excellence goals. Performs concurrent hospital-wide medical record reviews facilitating improvement in the quality, completeness and accuracy of medical record documentation to ensure coding compliance, accurate reporting, and improved patient outcomes. Outstanding interpersonal and communication skills.
