Perioperative Nurse

October 2015 - August 2016 (11 months)

Houston, Texas

Ensured OR readiness by maintaining stringent quality standards and safety precautions.

Assist in the preparation and care of patients undergoing surgical intervention, and oversee the maintenance/sterilization of OR supplies and equipment.

Anticipate needs of surgeons and surgical teams, and assist in operative procedures.

Function in both the Scrub and Circulating Roles in all services from General Surgery, to Minimally Invasive, Robotics, Complex multi-service, Reconstructive Plastics, to Pediatric and Neonatal Cases.

- Participated in ongoing quality assurance (QA) program that met or surpassed hospital/JCAHO standards for patient and staff safety.

Provide ongoing mentoring to new OR staff and to those seeking leadership opportunities.

MD Anderson Cancer Center

Clinical Manager Perioperative Services

April 2013 - October 2015 (2 years 7 months)

Houston, Texas

Perioperative Manager Ortho/Neuro/Pain/BrainSUITE

- I have experience in working as an innovative, practical, and proactive leader for a two of our country's leading Hospital Systems.
- I underwent intensive training to focus care on treating cancer patients specifically.
- Worked with Linen Department to identify cost savings opportunities and implemented new process, resulting in a cost savings of around \$60,000 for FY14.

Memorial Hermann Healthcare System

4 years 10 months

Clinical Manager Perioperative Services

January 2010 - May 2013 (3 years 5 months)

Perioperative Services, TMC Houston

Clinical Manager in the OR over Neuro and Neuro Spine until March 2011.
Over Gen/GU/GYN/Bariatrics/Robotics/ Intra-op Endoscopy until May 2013

- Providing hands-on clinical and administrative support for a multidisciplinary service-line; acting as liaison between a dynamic surgical team and hospital administration. Remain vigilant to daily operations; budget, staffing, inventory availability and surgical cases ensuring team members, surgeons, and vendors are well informed. Work collaboratively with surgical team, vendors,

and administration with capital budget planning/ prioritizing while preparing for future growth and development.

- Participate in a variety of cutting-edge surgical procedures including but not limited to: Traumatic and elective, General, Urology, Gynecological, Neuro, Ortho, Spine, and multispecialty Robotics Surgery.
- I was the lead facilitator in the designing and implementation of a Hybrid Bi-Plane Neuroendovascular Angio Suite.
- As a circulating nurse, provide preoperative assessment of each patient prior to the surgical procedure ensuring safety and the well-being of the patient. Manage the surgical team, protect the sterile field, and first and foremost act as the patient's chief advocate. In the scrub nurse role, I establish and maintain the sterile field, anticipate the surgeon(s) every need, and have all necessary supplies at hand.

RN- Operating Room

August 2008 - January 2010 (1 year 6 months)

Perioperative Services, TMC Houston

Clinical Nurse II on the Neuro and Neuro Spine pod.

- Participate in a variety of cutting-edge surgical procedures including but not limited to: Traumatic and elective, Neuro, Ortho, Spine, and Intraoperative Neuroendovascular procedures.
- As a circulating nurse, provide preoperative assessment of each patient prior to the surgical procedure ensuring safety and the well-being of the patient. Manage the surgical team, protect the sterile field, and first and foremost act as the patient's chief advocate. In the scrub nurse role, I establish and maintain the sterile field, anticipate the surgeon(s) every need, and have all necessary supplies at hand.

Charleston Area Medical Center

Clinical Nurse

December 2004 - July 2008 (3 years 8 months)

Charleston, West Virginia

Functioned as a scrub and circulating nurse for Plastics, OMF, Neuro, Spine, Ortho, General, Trauma, Transplant and Urology.

Primarily focus on Plastics, OMF, Neuro, and Spine.

- Participate in a variety of surgical procedures including but not limited to: Trauma, General/Vascular, Orthopedics, Craniofacial/Maxillofacial, Neurology, Plastics, Urology, Renal, Transplant and Ophthalmology; Specializing in

scrubbing and circulating in complex Neuro, Craniofacial, Maxillofacial, and Reconstructive Plastics.

- As an evening shift and weekend charge nurse I coordinate cases appropriately to accommodate the patient's and surgeon's needs.
- I always remain attentive and anticipate the unexpected in elective, urgent, and trauma cases; reacting and quickly and efficiently.

Highland Hospital

Supervisor Of Operations

June 2003 - January 2006 (2 years 8 months)

- As a member of the multidisciplinary team I assist clients and their families to prepare for independent or assisted living after discharge. Assume responsibility for ongoing monitoring regarding safety of patients and staff. Oversee administration of medication, interpret and implement physician's orders. Anticipate, prevent, and manage all emergencies and crisis situations on units whether they are medical or behavioral.
- Provide fair and immediate corrective action to co-workers in addition to providing positive reinforcement and support.
