I have been a bodyworker for over 27 years in private practice incorporating many modalities in my sessions from Swedish, Reflexology, Thai, Pressure Point and Abdominal Massage Therapy.

I graduated from the Desert Institute of The Healing Arts 1,000 hour program in 1994 and continue to learn and grow. I have been an active member of the National Certification Board for Therapeutic Massage & Bodywork since 1994 in addition to being an active nurse since 2001.

In 1995-2001 I had the privilege of being one of the original staff at the internationally renowned Miraval Resort for 6 years before embarking on my nursing career.

Presently, I am travel nursing. I work on medical/surgical, observation and psychiatric units.
