Summary

Board Certified Family Nurse Practitioner who enjoys providing exceptional patient care in busy, diverse healthcare environments. Throughout my career, I've honed the ability to independently assess, diagnose, monitor, and treat a variety of illnesses and conditions to improve patients' quality of life. Further, I've earned respect as an influential leader and collaborator with clinical expertise in primary care, emergency services, urgent care, palliative care and home health.

I'm known for educating patients and caregivers on the options, goals, and expected outcomes of treatment plans with the utmost level of compassion and professionalism. As an out-of-the-box thinker, I remain committed to continuously identify and implement the safest, most effective therapeutic regimen to optimize treatment outcomes.
