# BarryDavid Corb, MSN-HCSM, RN, CCRN-CMC

Chief Clinical Officer at BridgePoint Continuing Care Hospital  
Greater New Orleans Area

## Summary

BarryDavid Corb, MSN-HCSM, RN, CCRN-CMC is the Chief Clinical Officer for BridgePoint Continuing Care Hospital. Mr. Corb earned his MSN with an emphasis on Health Care Systems Management from Loyola University in New Orleans, Louisiana. With 19 years of experience, Mr. Corb has fulfilled roles that range from direct patient care and management of multiple hospital units and product lines to senior leadership. As a Certified Critical Care & Cardiac Medicine nurse and an expert in critical and intensive care, he has achieved high level improvements through his leadership in patient safety and nursing efficiency, working diligently to ensure both staff and facility operate at a superior level using evidence-based best practices, optimizing the patient experience and driving quality outcomes.
