Erica Marske, BSN, CCRN

Registered Nurse
Cleveland/Akron, Ohio Area

Summary

Critical care nurse with two years of experience on an 18-bed medical intensive care unit. I am skilled in cardiopulmonary resuscitation (CPR) and advanced cardiovascular life support (ACLS), Electronic Health Record (EHR) Systems, and primary and secondary research methods. I have recently become involved in unit quality improvement measures through work as a Geriatric Resource Nurse, Vascular Access Resource Nurse, and preceptor.

Experience

Cleveland Clinic
Critical Care Registered Nurse
August 2018 - Present (1 year 11 months)
Cleveland, Ohio

- Developed skills working with an interdisciplinary team to deliver patient-centered care. Assess, diagnose, plan, implement, and evaluate interventions with the team.
- Order and interpret diagnostic tests to evaluate patient status.
- Work on quality improvement teams as a Geriatric Resource Nurse and Vascular Access Resource Nurse.
- Skilled in preventing hospital-acquired infections through use of central line protocol, urinary catheter protocol, and ventilator-association pneumonia prevention interventions.
- Assist with determining end-of-life care goals
- Adept at prioritizing interventions and time management

Valparaiso University
1 year 10 months
Civic Reflection Facilitator
October 2017 - May 2018 (8 months)
Valparaiso, Indiana

Supplemental Instruction Leader
August 2016 - May 2018 (1 year 10 months)

Valparaiso, Indiana

Tutored students in first-level collegiate anatomy and physiology. Attended the students' class, prepared informative review materials, led weekly sessions, offered study advice, and facilitated a collaborative learning environment.

Ancilla Systems

Development Team Assistant

May 2017 - May 2018 (1 year 1 month)

Hobart, Indiana

Specific duties included grant searching, grant preparation, and writing. Coordinated small programs and events for five major non-profit ministries in the northwest Indiana area. Generated proposals for specific projects in need of funding and analyze best sources of funding through Foundation Center Online.

Skills: Constant Contact, Microsoft Word.

Loyola Medicine

Patient Observer

October 2015 - December 2016 (1 year 3 months)

Maywood, Illinois

Assisted high fall risk patients with ADLs on the following units: medical-surgical, burn, pediatric, emergency department, and oncology. Specific skills included: restraint documentation, vitals Q1-4h, therapeutic communication skills.

Group Mission Trips

Project Leader

May 2015 - August 2015 (4 months)

Coordinating relational service projects within a community over the course of seven weeks. Responsibilities include managing volunteer work throughout each week and maintaining relationships with non-profit partner organizations.

Education

Valparaiso University

Bachelor's degree, Registered Nursing/Registered Nurse · (2014 - 2018)
