Elsie White

MSN RN
Orlando, Florida

Summary

Experienced Registered Nurse, MSN in Leadership and Management with a demonstrated history of working in the hospital & health care industry. Certifications in both Oncology and Medical Surgical. RN at Orlando Health's Radiation Oncology department in a clinical practice role leading a team for the Radiation Oncologist's practice. Proven history of collaboration throughout the UF Health Cancer Center's and Orlando Health's Surgical and Oncology departments. Over 10 years with in-patient critical care; Preceptor, Relief Charge nurse, staff nurse. Skilled in Nursing Leadership, Nursing Education, Critical Care, Interfacility Transport, Post-Operative Recovery, Medical-Surgical, Procedural Support, Moderate Sedation, and IV medication administration. Focused on patient & family patient-centered care delivered with compassion and transparency. I am currently pursuing exciting new opportunities towards taking a leading role in creating a healthier state of well being not only for patients, but also for their families and the community.
