## Summary

I am a pediatric nurse practitioner and psychiatric mental health nurse practitioner working in a pediatric primary care office in Hickory, NC where I provide both primary care services and psychiatric services to my child and adolescent patients in a patient-centered primary care home. I have passion for helping those suffering with mental illness with a special emphasis on children, teenagers, and young adults. With my psychiatric mental health nurse practitioner certification, I am certified to care for those with mental illness across the lifespan and am interested in serving the entire family unit.
