Ready for new opportunities

Spring, Texas

## Summary

I have worked in Labor and Delivery since 1984 as a staff nurse and as a charge nurse. I also worked as a house supervisor 12 years at one facility & 2 contracts at another facility. I also have experience as an occupational health nurse case manager. I hold RN licensure in Texas, California, Alaska, Washington, Oregon, Nevada, Alabama, Ohio, New Jersey, New York, and Massachusetts.

I am interested in a position in Case Management, House Supervisor, Labor & Delivery, or something new. I would like to work in north Houston, Spring, Cypress, & Conroe areas.

KMC is a critical access hospital in the Alaskan rainforest. It is a 25-bed hospital on an island in Southeast Alaska. KMC is the only hospital for several hundred miles. Patients are evaluated in the ER and then dispositioned according to needs. They may be admitted or flown to Anchorage, Bellingham, or Seattle based on specialized care that is needed. I work nights as a house supervisor.
