As a Surgical Technologist I am involved in process improvement or quality initiatives related to, but outside of, Perioperative Services. I also assist the nursing and medical staff in providing care to patients undergoing surgical intervention and performance of surgical scrub technologist duties; collaborate with nursing and other disciplines, when necessary, to revise the plan of care to meet the changing needs of the patient. I have constant contact with the Operating Room staff, physicians, clerical staff, anesthesia staff and materials management.

Adventist Hinsdale Hospital

Surgical Technician

August 2012 - November 2014 (2 years 4 months)

Hinsdale, IL

I performed patient care tasks and patient care procedures necessary to provide for care, comfort and safety of patient. I also functioned as a scrub person during c/sections. Sets-up supplies and breaks down surgical rooms. I acted as a support for the RN with patient care and the Unit Secretary with desk duties under the direction of the RN. My day-to-day responsibilities require good use of judgment regarding timely and appropriate communication with team members and hospital staff. Recognizes the need for teamwork and functions as part of a multi-disciplinary team.
