Linda Koppy

Nursing Manager at MD Anderson Cancer Center
Houston, Texas

Summary

Clinical Nurse in the Emergency Center/Clinical Decision Unit. Transitioned after five years on Surgical Oncology unit, also serve as a Resource Nurse, Clinical Coach for new hires, Charge Nurse, and Chair of unit Education Committee. Graduated from The University of Texas Health Science Center (UTHealth) with a BSN in December 2012. Prior to attending nursing school, I earned my BBA from The University of Houston with a major in Operations Management, which focused on quality control and process improvement. My professional experience has helped me polish my communication skills, customer service, leadership and team building skills. My work ethic and strong desire to learn drives me to succeed and accomplish my goals.

Experience

MD Anderson Cancer Center

7 years 4 months

Nursing Manager

November 2019 - Present (8 months)

Clinical Nurse

March 2013 - November 2019 (6 years 9 months)

Texas Medical Center

Manage patient care and patient outcomes in collaboration with the multidisciplinary team. These duties include providing competent and compassionate care; administering medications, chemotherapy, and blood products; coordinating services for patient care; and continuity of care through appropriate discharge planning and patient education. The basic patient populations on the unit are patients with gynecological malignancies and patients undergoing inpatient radiation therapy. It also serves as the overflow unit for leukemia, lymphoma/myeloma, breast, GI and urology.
