Dalyn France

Travel Nurse at LiquidAgents Healthcare
Arlington, Texas

Summary

A well-qualified Registered Nurse with an in-depth knowledge of medical-surgical / telemetry services and support roles. Well-versed in population healthcare with complex/chronic morbidities. A motivated professional with expertise in medical record review, chart auditing, clinical judgement, operational leadership, interpersonal skills, customer service, and physician collaboration. I am passionate about nursing and looking to use my talents to better the state of my clients.
