David Becker ## ICU RN CCRN

Have worked in (almost) every type of nursing. Critical care, trauma, rapid response, and code blue are my specialties.

Tulsa, Oklahoma Area

Summary

The Basics:

Experienced critical care unit/emergency department nurse and owner of the men's health blog Androgenhacker.com.

A Little Bit More:

Highly skilled at managing complex patients on 16+ drips, CRRT, Rotoprone, etc. Well versed with working on a rapid response team, code blue team, and clinical research council.

My True Passion:

I have a passion for helping others get healthy. If you need some guidance, an expert opinion, or just have an idea you're bouncing around - I encourage you to contact me (see below).
