Experience

Overlake Medical Center & Clinics

3 years 10 months

Director, Medical Surgical Nursing Services & Clinical Education
November 2018 - Present (1 year 8 months)

I currently perform in the role of Medical Surgical Director at my organization where I oversee a General Surgery/Bariatric Center of Excellence, a Medicine Oncology unit, an Orthopedic/Joint Trauma unit, Clinical Education and our Telesitter program.

Clinical Nurse Manager

September 2016 - November 2018 (2 years 3 months)

Greater Seattle Area

Managed a Bariatric Center of Excellence and General Surgery Unit. In a fast paced, 36 Bed unit, I take pride of my teams efficiency, productivity, and professionalism that has been rewarded with national recognition from Health Grades and consistent above-goal Press Ganey Scores. I also feel honored to have the highest unit leader engagement scores in my division for FY 2017 and 2018 in my current organization.

Memorial Health

13 years 3 months

Clinical Nurse Manager II

January 2013 - August 2016 (3 years 8 months)

Previously managed a Vascular Center of Excellence that includes a physician procedure room, an Admission Discharge Unit, in addition to a ED Medical Surgical Holding Unit. I have managed, opened, and transitioned 6 different units at Memorial Health (In addition to above: A General Surgery Unit, a Bariatric Center of Excellence, and an Observation Unit) and pride myself on being a key person who leadership can depend on to lead and change units.

Assistant Nurse Manager

March 2011 - January 2013 (1 year 11 months)
