---

## Experience

UC Davis Medical Center  
Clinical Nurse II-Pediatric ICU  
April 2016 - Present (4 years 3 months)  
Sacramento, California Area

Each year, our PICU treats more than 1,000 infants, children and adolescents who experience traumatic injuries or life-threatening infectious diseases, or have undergone surgery to correct complex birth defects such as congenital heart anomalies. Renowned for telemedicine capabilities, UC Davis has two completely integrated telemedicine units that extend the PICU's reach to communities throughout California

Capitol City Black Nurses Association  
President  
March 2018 - Present (2 years 4 months)  
Sacramento, California Area

Founding member of the newly chartered Capitol City Black Nurses Association

Sutter Health  
Registered Nurse  
September 2016 - February 2017 (6 months)  
Roseville, California

Surgical specialties include spine, heart and lung, neurological, cancer, orthopedic, trauma, and minimally invasive surgeries for many types conditions and injuries. Each surgical unit includes pre- and post-operative areas and many are fully equipped for endoscopic procedures. We are supported by a

team of surgeons and nursing staff committed to surgical excellence and quick recoveries

---
