ER Nurse of the Year

Trinetta Gipson, MSN, APRN, FNP-BC

Highly Motivated Nurse Practitioner Seeking Employment
Greater Atlanta Area

Summary

Board Certified Family Nurse Practitioner & DOT Certified Medical Examiner with over 15 years' experience as a Registered Nurse working in a high volume emergency department setting and 1 year of Nurse Practitioner in a clinical setting. Highly skilled in assessment, medical screenings and new hire/new grad training. Additional skills include but not limited to, patient education, EMR (Electronic Medical Records) documentation along with extensive computer knowledge. I am efficient and work diligently on time management while utilizing resources accordingly. I work effortlessly in establishing a trusting rapport with patients and families in providing high quality care while ensuring overall customer satisfaction. I am currently seeking a position with a company that is patient centered and operates on a team based approach in providing safe patient care.

Experience

Healthsource Global Staffing

Travel Nurse

2020 - 2020 (less than a year)

Provide nursing care to patients on a Rapid Response Team during crisis and strikes. The role includes but not limited to assessing, planning, coordinating, evaluating, and delegating the delivery of patient care in a Acute Care Comprehensive or Emergency Room setting.

Emory Healthcare

11 years 7 months

Nurse Clinician III/Clinical Coordinator

June 2008 - December 2019 (11 years 7 months)

Decatur, Georgia

Provides professional nursing care for assigned patients in the emergency room. Triage patients and determines priority of care based on physical, psychological and social needs as well as factors influencing patient flow through the emergency care system. Performs focused assessment of chief complaints of each patient in a timely manner according to established triage guidelines. Familiar with standard concepts, practices, and procedures within a particular field. Relies on experience and judgment to plan and accomplish goals. Performs a variety of tasks independently while utilizing set departmental protocols and practicing emergency medicine care within a registered nurses scope of practice.

Relief Charge Nurse duties included but not limited to managing, supervising and assisting the nursing staff, as well as providing administrative support and patient care. Some of the duties included shift assignments, managing patient flow for inpatient admissions and appropriate dispositions. Additional duties included advocating for patients and family, supervising during critical codes such as respiratory or cardiac arrest, liaison for ER and worked closely with House Supervisor and Bed Coordinator.

Train new hires and precept new graduates during their orientation to the emergency department while guiding them through their transition process into their new roles.

Nurse Clinician II (Interventional Radiology)

October 2012 - October 2013 (1 year 1 month)

Atlanta, Georgia

Administration of conscious sedation drugs during radiology assisted procedures (Chemotherapy seed implantation, Vascatheter insertion, AV Fistula insertion, Kyphoplasty, Uterine Ablations, Biliary tube insertion, Angioplasty). Monitor patients during and post procedures. Prepare and administer drugs such as Heparin, Alteplase, Nitroglycerin, Naloxone or Romazicon to reverse effects of sedation.

Private Family Practices & Urgent Care

Nurse Practitioner Student

February 2017 - February 2018 (1 year 1 month)

Functioned independently as a provider with minimal assistance in providing care to patients of all ages ranging from pediatric to geriatric. Duties included diagnosing, interpretation of test results, & treatment of common pediatric illnesses, including acute and chronic conditions (Otitis Media, Pharyngitis,

Skin Disorders, STI treatment, Asthma, Hypertension, ADHD). Other duties performed were routine developmental screenings, health maintenance care, birth control education, prenatal visit and/or followups, PAP Smears, school physical examination, sports physicals & immunizations.

Baptist Health Care

6 years 1 month
