Rachel Moradi

Staff Nurse at New York-Presbyterian Hospital Weill Cornell
Greater New York City Area

Summary

I am seeking to incorporate, my experience from my clinical rotations and interdisciplinary teamwork into a rewarding and challenging position in an acute care setting.

Working as a team member and providing the best care for my patients, both physically and emotionally, is my priority. Utilizing therapeutic care, strong communication skills, and a patient centered environment, are several areas which can help reach the ultimate goal, healing my patient.
