Josephine Hoang

Travel Operating Room Nurse
Houston, Texas

Summary

I am a registered nurse with a RN license to practice in the states of Texas and Washington as well as compact states. I graduated with my Bachelor of Science in Nursing from Texas A&M University: Health Science Center -College Station, TX, in 2015. I have clinical experience in specialized surgery in both inpatient and outpatient environments including general surgery, orthopedics, ENT, plastic, pain management, and others.

Experience

Aya Healthcare

9 months

Inpatient clinical experience as an OR circulator in specialized surgery including ear, nose and throat (ENT), general surgery, pain management, orthopedic, plastic surgery, and others.

Completion of PeriOp 101 course and one year nursing residency program.

Member of Magnet Committee at current hospital.

Participation in precepting nursing residency interns in the OR.

Laser safety officer.

Collaboration with ENT coordinator and medical reps towards growth of ENT specialty.

Texas A&M University

Student Nurse

August 2013 - March 2015 (1 year 8 months)

Bryan/College Station, Texas Area

I have gained extensive experience in clinical rotations in settings such as pediatric and adult critical care, medical/surgical, and telemetry units at local facilities as a student nurse under the supervision of a RN preceptor or faculty instructor. Hospitals I have done clinical rotations for are local hospitals in the College Station/Bryan area as well as McLane's Children's Hospital and the VA Hospital in Temple, TX. I provided patient-centered care through critical-thinking, assessment, planning, implementing, and evaluation of outcomes.
