Janna Goachee MPA, RN

Director, Population Health Operations at VillageMD
Greater Atlanta Area

Summary

Registered Nurse and highly driven leader with experience in leading large scale program development, continuous quality improvement, strategic planning and systems analysis. Advanced understanding of population health, hospital operations, post-acute sector and care coordination models. Goal oriented with demonstrated ability to build and lead teams to quantifiable success based on organizational goals.

Experience

VillageMD

Director, Population Health Operations
November 2018 - Present (1 year 8 months)
Georgia

VillageMD is a leading provider of primary care management services for healthcare organizations moving toward a primary care-led, high-value clinical model. The VillageMD solution provides data analytics, a physician-based care coordination model, and on-the-ground support resources to make improvements at the point of care, resulting in high quality clinical outcomes for all patients. VillageMD also provides access to value-based reimbursement contracts that reward physicians for delivering high quality, cost effective care. VillageMD works with physician groups, independent practice associations, and health systems to improve quality, deliver a first-rate patient experience, and lower total medical costs in the communities they serve.

JLG Health Solutions
