University of Maryland Charles Regional Medical Center
Emergency Room Clinical Nurse II
June 2016 - September 2017 (1 year 4 months)
La Plata, MD

07/2017 - At UMCRMC as an Emergency Department staff nurse my responsibilities included for all age groups: assessments, treatments, medications, education, and discharge.

06/2016-06/2017 - As Staff Float Pool utilizing the nursing process in providing patient care and patient/family teaching. Organize and implement safe, therapeutic, and efficient patient care. Perform patient assessments, plan nursing care, educate patients, and provide age specific care (neonate through adult-geriatric). Additionally, adhering to AIDET's principles allows for better patient satisfaction, and helps maintain a safe and therapeutic environment of caring for my patients.

Genesis

Assistant Director of Nursing
December 2015 - June 2017 (1 year 7 months)
La Plata, MD

- * Working at a professional nursing level using both administrative leadership and clinical expertise in order to assure that comprehensive care and treatment is provided to our residents

- * Collaboration with the interdisciplinary team, personalize assessments and goals to address the needs of our residents and their families

College of Southern Maryland
Adjunct Faculty (contract)
January 2017 - May 2017 (5 months)
La Plata, Maryland

Skills Lab for Health Science Nursing Care of Adults. Assisting students to incorporate the nursing process from intellectual to practice for the adult patient in an acute care setting.

MedStar St. Mary's Hospital
Emergency Room RN
March 2015 - December 2015 (10 months)

Leonardtown, MD

As a staff RN in the ER, my job is to plan, implement, and evaluate the nursing care of patients while maintaining appropriate documentation. This involves working in collaboration with the patient, their family, and the health care team, while following evidence based policies and procedures.

Centura Health

4 years 3 months

Emergency Room RN

October 2012 - December 2013 (1 year 3 months)

Colorado Springs, Colorado Area

Emergency Department RN for Penrose-St. Francis Health Services, a full-service, 522-bed acute care facility in Colorado Springs which includes Penrose Hospital and St. Francis Medical Center.

Provide exceptional nursing care for emergency room patients of all ages at a Level IV Trauma Center with 22 emergency room beds and three trauma bays. Responsible for facilitating, communicating, and collaborating with both the healthcare team, and the patient/family to identify and meet the total needs of the patient. Demonstrates personal accountability for relationship-based care, organization mission, and core values while promoting health and safety for each patient.

Penrose-St. Francis has been named one of "America's 50 Best Hospitals" for 6 years in a row (2008 - 2013) by HealthGrades, the only recipient in Colorado. We are part of Centura Health, Colorado and western Kansas' largest hospital and health care network delivering advanced care to more than half a million people each year, across 15 hospitals, seven senior living communities, medical clinics, Flight For Life® and home care and hospice services.

Registered Nurse

October 2009 - October 2012 (3 years 1 month)

Highly motivated goal oriented professional nurse who maintained the highest standards of nursing care for a diverse population of patients on a 30-bed unit of a renal/diabetic/medical floor. As Charge nurse, managed the needs of a 30-bed unit, directing and assisting the staff, represented the floor to numerous committees, reported directly to the clinical manager. As a staff nurse, delegated care to certified nursing assistants through clear and concise communication. Acted as a preceptor to new RNs. Managed the care for 4-7 stable to acutely ill renal, diabetic, and general medical patients. Collaborated care with the healthcare team addressing patient's needs and goals
