# Emily Stults RN, BSN, CCRN

Critical Care Resource Pool RN at John Peter Smith Hospital  
Dallas/Fort Worth Area

## Summary

Registered Nurse with over 7 years of experience in the Intensive Care Unit at John Peter Smith Hospital, Fort Worth's Level 1 Trauma Center. Our 36 bed ICU encompasses both surgical and medical patients, as well as cardiac patients.

I am a certified heart nurse. I provide nursing care to patients post-CABG, post-valve replacement, post-cardiac stent, and to patients on IABP.

I am CRRT certified.

I am certified to place arterial lines and cortrak devices.

BLS, ACLS, TNCC, PALS and CCRN certified.

10 months of pediatric CICU experience at Cook Children's Medical Center in Fort Worth, Texas.

I served as an EPIC super user during Cook Children's transition from Meditech to Epic.

Experience in caring for patients with congenital heart defects with ages ranging from newborn to adulthood.

---
