MSN, RN

Jacksonville

## Summary

RN with a demonstrated history of working in the hospital & health care industry. Skilled in Family Medicine, Patient Advocacy, Corrections, and Patient Education. Strong healthcare services professional graduated from Chamberlain University.

## Experience

### UF Health Family Medicine

#### Family Nurse Practitioner Student

July 2019 - March 2020 (9 months)

Yulee, Florida

Developed clinical skills with an emphasis on quality, accuracy and the patient experience

Expanded my problem-solving, critical thinking and investigative capabilities using a range of resources

Learned how to effectively evaluate, diagnose and manage patients with acute and chronic disease in the primary care setting

Gained an understanding of health promotion and disease prevention strategies, advanced practice nursing and develop leadership skills for growth as a nurse leader

Strengthened my approach to a compassionate, multi-faceted nursing practice that treats the whole patient

### MHM Services, Inc.

#### Charge RN

July 2016 - February 2020 (3 years 8 months)

Raiford, Florida, United States
