# Charissa Davis

Travel Psychiatric Nurse at Aya Healthcare  
Phoenix, Arizona Area

## Summary

Charissa is an accomplished health care leader with more than 20 years of progressively challenging experience in health care management and nursing care for the elderly. She has demonstrated skills in planning and the successful execution of complex health care projects; has well developed written and verbal communication skills. Considered energetic, fair, persistent and approachable, with the ability to motivate and maximize team and staff performance. Has experience in for profit and not for profit organizations. Charissa has a great commitment to Nursing and its future and holds her staff to a high degree of professional accountability. She is frequently seen working side by side with her staff in times of crisis and daily unit operations. As a motivated nursing leader with unlimited energy, she is an excellent selection in assisting an organization in achieving its objectives.
