With ten years of nursing experience, owner Frank Druse III brings an informed background to provide attorneys with a cutting edge perspective on their cases. Frank has completed a Masters of Science in Nursing and a Masters in Healthcare Administration. I am Board Certified as an Emergency Room Nurse, Pediatric Emergency Room Nurse, and a Certified Legal Nurse Consultant. I have served in various roles both in Clinical Practice, Nursing Education, and Nursing Administration. Let me bring his unique, dynamic understanding of the inner workings of the healthcare system to your cases to assist in achieving success. I maintain membership in the National League of Nursing, Emergency Nurse's Association, Sigma Theta Tau (The International Honor Society for Nursing), and The National Alliance for Certified Legal Nurse Consultants. I provide a full range of services including case screenings, preparing case summaries, finding expert witnesses, assisting in the discovery process, or any of 33 other services offered. Highly qualified, I provide detailed knowledge about standards of care, the inner workings of hospitals, and the merits of legal cases.
