Greater Los Angeles Area

Summary

I will be starting my post-masters DNP/FNP in August. Currently seeking NP, MD or DO preceptors preferably around Los Angeles area. (I'm also willing to travel outside the city). I've been an RN for 17 years with diverse clinical experience in neonatal, pediatric, adult acute, progressive, and critical care settings. I am naturally congenial and highly enthusiastic, motivated, and driven individual who adapts well in any situation or environment.
