Summary

Healthcare professional with a strong clinical background specializing in emergency care. I have worked in numerous healthcare systems and can offer unique perspectives from my extensive work related experiences. I am now looking to apply my critical thinking and problem solving skills to business applications.

Experience

Emergency Department Travel RN
December 2016 - June 2017 (7 months)
Palo Alto, California

As a travel nurse, I was a contracted employee for the industry standard term of three to six months. Through travel nursing, I was able to practice and perfect my clinical skill set while learning from a diverse number of healthcare systems. In addition, I was able to observe hospital operations of nationally ranked healthcare systems and learned the effects of organizational cultures and the influences of leadership on team performance.
