# Deanna Depugh

Certified Nurse Practitioner at Addiction Medicine and Mental Health  
Chillicothe, Ohio

## Summary

Well qualified, driven, and skilled family nurse practitioner. Strong ability to convert research and evidence-based practice into individualized, high quality patient care. Ability to develop quick rapport with the patient and family ensuring that the highest quality of care is provided holistically and to the family as a unit. Flexibility and organizational skills assist with completion of tasks in a timely fashion with quality results.

Eleven years of nursing experience. Initially began as a patient care tech, followed by working as a licensed practical nurse, before obtaining my ADN and BSN. I completed the Bachelor of Science in nursing degree at Ohio University, and my Master of Science in nursing degree at Chamberlain University. In a field that is continuously innovative and striving for improved patient care, I am excited for the opportunities that lie ahead.
